Dear friends in Christ,

If you ever thought of being a part of our youth team and a leader of our youth community, now is your chance! Our youth team is excited and encourages you to pray about being a part of our youth team as leaders. We have fun events this summer and throughout the year and your help would be greatly appreciated! Please consider being a part of our fantastic youth team and we look forward to sharing God's love with you and our Church community.
